## When you receive frequencies from your Practitioner:

3. Your Practitioner will send you an **email** that contains a **code with letters and numbers**. Be sure to check Spam and Promotions folders for your code. It will be received from apps@biofeedbackapps.co. It is recommended that you copy and paste this into the Quanta Capsule.

**Ariel Policano** ([frequencies@geniusbiofeedback.com](mailto:frequencies@geniusbiofeedback.com)) has shared some digital frequencies for your health and wellbeing.

To import these frequencies into your Insight Quanta Cap, open the app and select the navigation in the top right

Then select the Import Genie Quanta and then enter the code below.

**Your Quanta Cap Code is: fx3RCgXrqx**

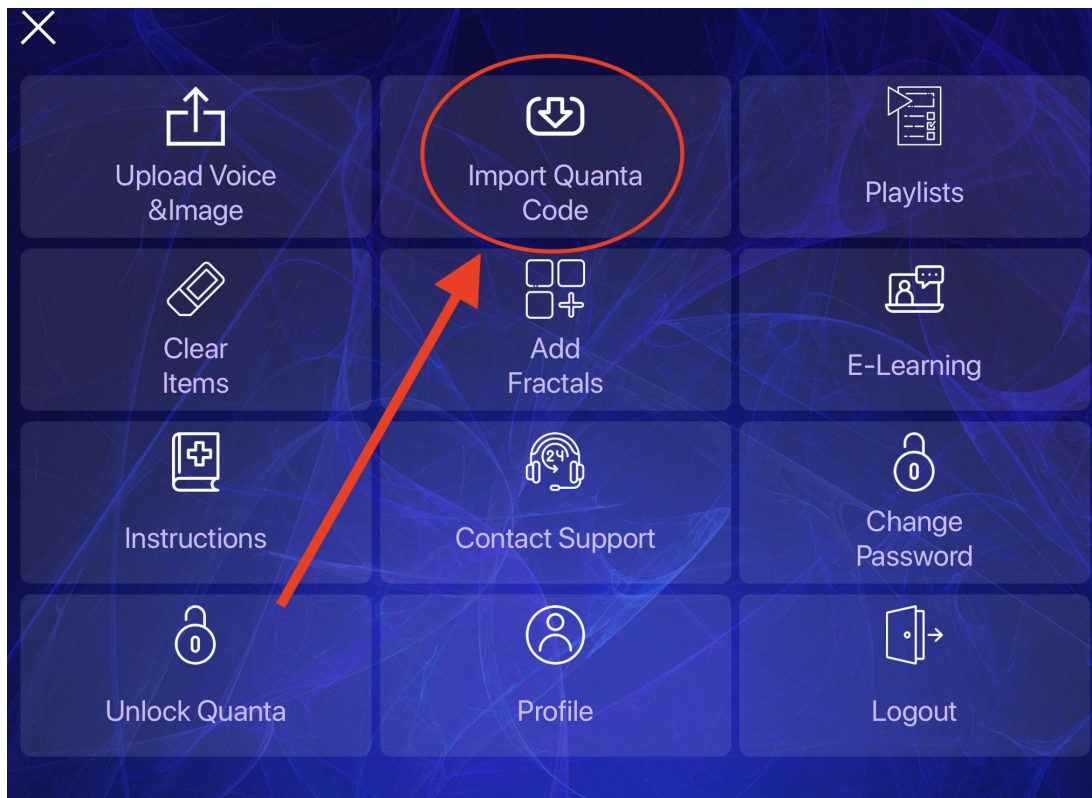

Once you have entered this code, you will see the frequencies listed.

Simply select the specific frequencies and drag them down to the Main Hold Tray.

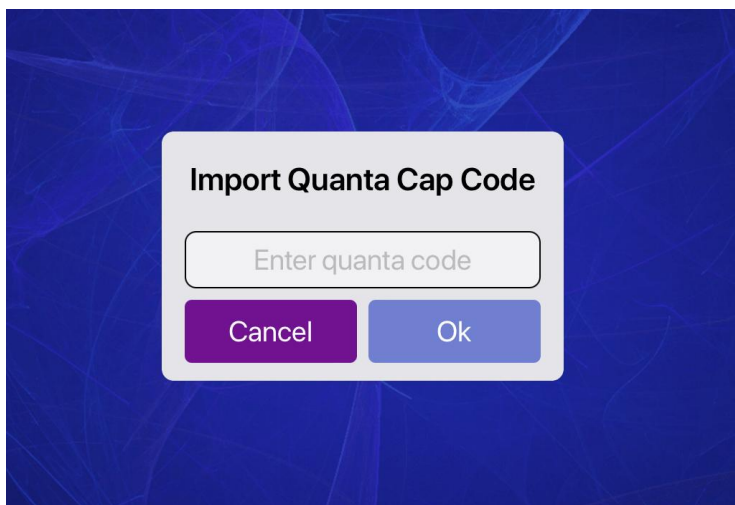

Select the timer for the duration of balancing and select Start.

For best results, try to find a safe space where you will not be interrupted and listen to the tones.

Inside the capsule, you will see a navigation bar at the top right. Click the navigation bar to see this icon gallery:

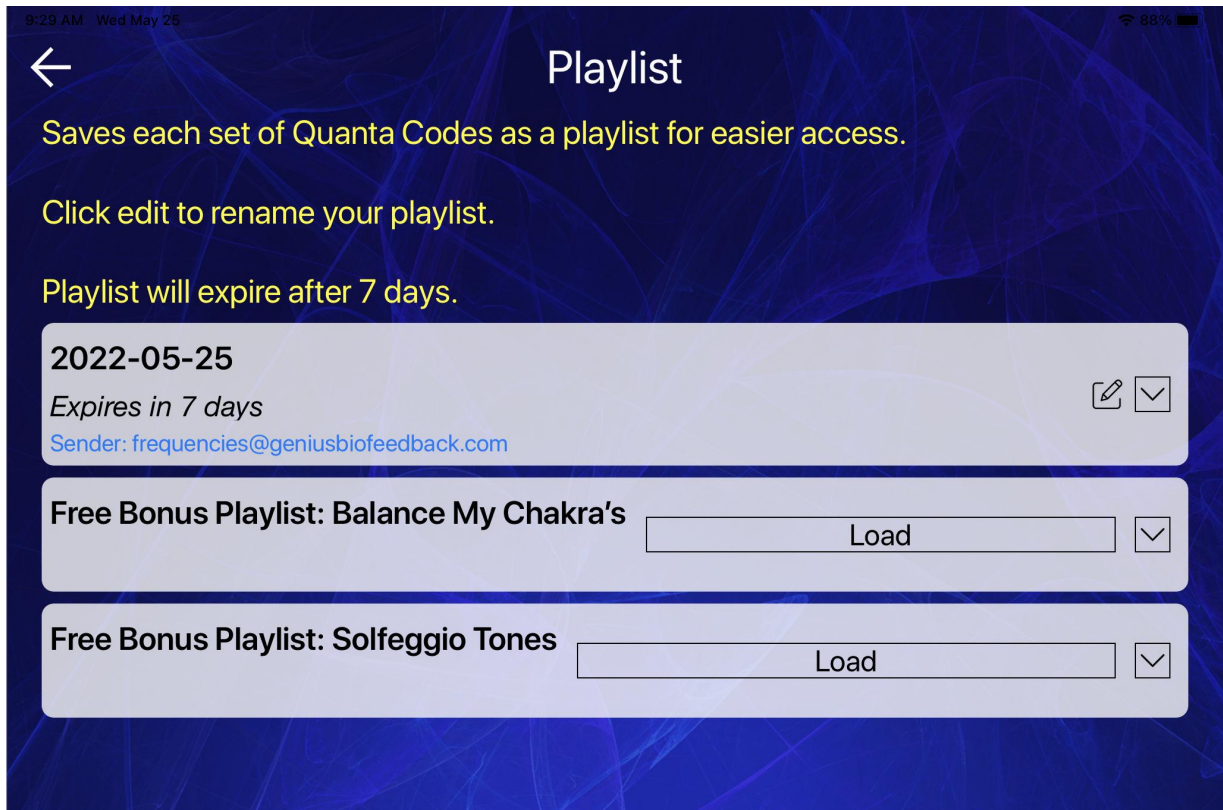

Once you click “Import Quanta Code” this box pops up:

4. Your frequencies will download as a Playlist. Your Practitioner may have named this playlist or you can name the Playlist. The default will show as the date imported. The frequencies will expire in 7 days. Tap "Load" to load these frequencies into the area where you can play the frequencies by tapping the play button.

5. Run your Genius frequencies for **15 minutes in the morning** and **15 minutes at night**. The timer bar is set at 15 minutes as a default on your Quanta Capsule. You can do other things while you run your frequencies. To have an immersion experience of receiving your frequencies, try sitting quietly while listening to the frequencies through your best headphones or earbuds!

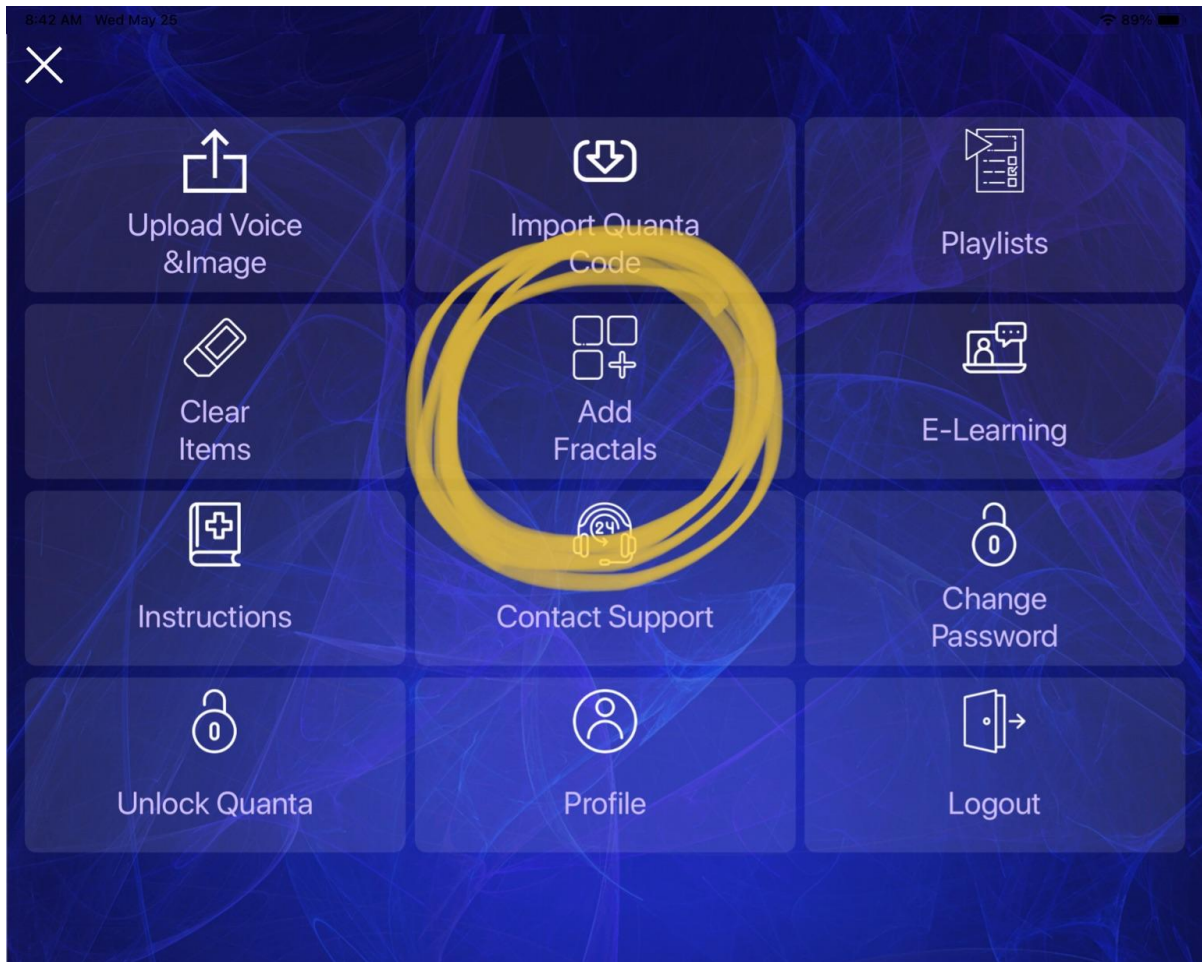

You can run the frequencies more often throughout the day and/or for a longer time if you wish. Drink water before and after you run your Genius frequencies! Frequencies help energy move through your body and water is a wonderful way to keep the energy flowing smoothly.

**The frequencies you received from your Genius Practitioner will last for 7 days. At the end of the 7 days, contact your Practitioner for new frequencies that are the most current and beneficial for you at that time!**
